33/1 Minutes of meeting no.32

The minutes of meeting no.32 held on 31 October 2000 were approved subject to one modification. The Chairman signed a set of the approved minutes which will be retained on file. A copy will be circulated to all Industry Parties.

[Note: at meeting no.34, when this minute was subject to approval, it was noted that meeting no.32 was actually held on 1 November 2000. As the minutes of meeting no.32 had been published with the erroneous date at the head, it was decided to formally record the correction in subsequent minute 34/4.]

33/2 Matters arising from the minutes of meeting no.32

There were no matters arising other than those placed on the agenda.

33/3 References nos. 105 and 106

The Committee noted that the element of reference 106 relating to the portion of route between Clay Cross Jcn and Tapton Jcn had been resolved by the parties themselves.

The Committee considered the joint submission in respect of reference no. 105 and the separate submissions on reference no. 106 on the subject of the Rules of the Route between Derby and Clay Cross Jcn and, taking account of the congruence between the two references, elected to deal with both references at one hearing.

At the conclusion of the hearing the Committee issued a single determination no. 105/106. A copy of this determination is attached.

33/4 Other references submitted to the Committee

The Secretary advised that he understood that discussions between the parties to reference ttc107 had reached a fruitful conclusion; confirmation was awaited.

33/5 Date of next meeting

To be advised.
