Service Group EG04
Service Group EG05

Notice to be given by Network Rail

9.2 If, prior to the Principal Change Date 2007, there are reasonable grounds for believing that it is necessary to make a modification to this contract to avoid Network Rail necessarily being in breach of any Grand Central Track Access Contract, Network Rail shall give notice to that effect to the Train Operator and ORR.

Contents of notice

9.3 A notice given under paragraph 9.2 shall contain:

- (a) a statement of the circumstances which give rise to it;
- (b) a statement of the likely extent, commencement and duration of these circumstances;
- (c) the Proposed Modifications; and
- (d) the reasons for the Proposed Modifications.

Timing of notice

9.4 A notice under paragraph 9.2 shall be given by Network Rail as soon as reasonably practicable after Network Rail has, or should with the exercise of reasonable diligence have, formed the belief referred to in paragraph 9.2 and is reasonably able to make an informed assessment of the extent of any necessary modifications to this contract.

Modification Criteria

9.5 The Proposed Modifications:

- (a) may only include modifications to this contract to the extent that they are necessary to avoid Network Rail necessarily being in breach of any Grand Central Track Access Contract; and
- (b) shall, having due regard to the Decision Criteria, provide the Train Operator with the best available alternative rights, being alternative rights which have the least detrimental effect on the Train Operator.

Train Operator's response to Proposed Modifications

9.6 No later than 10 Working Days following receipt by the Train Operator of any notice given under paragraph 9.2, the Train Operator shall, to the extent that it does not agree with the Proposed Modifications, make written representations to Network Rail setting out the

amendments which it proposes in respect of the Proposed Modifications, together with the reasons for its proposed amendments.

Network Rail's response

- 9.7 No later than 5 Working Days following receipt of the Train Operator's representations pursuant to paragraph 9.6, Network Rail shall:
- (a) to the extent that it accepts any of the amendments proposed by the Train Operator to the Proposed Modifications, amend the Proposed Modifications; and
 - (b) submit to the Train Operator the Proposed Modifications (as amended pursuant to paragraph 9.7(a)) together with a statement of the reasons why any amendments proposed by the Train Operator to the Proposed Modifications have not been accepted.

No representations made

- 9.8 If the Train Operator does not make any representations pursuant to paragraph 9.6, Network Rail shall submit to ORR the Proposed Modifications and Network Rail shall request ORR (with a copy by written notice to the parties) to:
- (a) consent to the Proposed Modifications; or
 - (b) refuse to consent to the Proposed Modifications, setting out guidance to the parties on the changes required in order that ORR would be minded to give its consent.

The Train Operator's counter response

- 9.9 No later than 5 Working Days following receipt by the Train Operator from Network Rail of the Proposed Modifications (as amended pursuant to paragraph 9.7(a)), the Train Operator shall, to the extent that it does not agree with the Proposed Modifications (as amended by Network Rail pursuant to paragraph 9.7(a)), make written representations to Network Rail setting out the amendments which it proposes in respect of those Proposed Modifications, together with its reasons for its proposed amendments.

Submission to the Office of Rail Regulation

- 9.10 No later than 5 Working Days following receipt by Network Rail of the Train Operator's representations pursuant to paragraph 9.9 or (if the Train Operator does not make any representations) no later than 10 Working Days following receipt by the Train Operator from Network Rail of the Proposed Modifications (as amended pursuant to paragraph 9.7(a)), Network Rail shall submit to ORR the Proposed Modifications (as amended pursuant to paragraph 9.7(a)) and the written representations (if any) made by the Train Operator pursuant to paragraph 9.9 and Network Rail shall request ORR (by written notice to the parties) to:
- (a) consent to the Proposed Modifications (as amended pursuant to paragraph 9.7 (a)); or
 - (b) refuse to consent to the Proposed Modifications(as amended pursuant to paragraph 9.7(a)), setting out guidance to the parties on the changes required in order that ORR would be minded to give its consent.

Consequences of Office of Rail Regulation's refusal

- 9.11 If ORR refuses to consent to any Proposed Modifications submitted to it pursuant to paragraph 9.8 or 9.10, then within 7 Working Days of such refusal Network Rail may, following further consultation with the Train Operator, submit to ORR revised Proposed Modifications which give effect to ORR's guidance issued under paragraph 9.8(b) or 9.10(b) and request ORR (with a copy by written notice to the parties) to:
- (a) consent to the revised Proposed Modifications; or

- (b) refuse to consent to the revised Proposed Modifications, setting out guidance to the parties on the changes required in order that ORR would be minded to give its consent.

Refusal to consent to revised Proposed Modifications

9.12 If ORR refuses to consent to any revised Proposed Modifications submitted to it pursuant to paragraph 9.11 or this paragraph 9.12, then within 7 Working Days of such refusal Network Rail may, following further consultation with the Train Operator, submit to ORR revised Proposed Modifications which give effect to any guidance previously given by ORR in that regard and request ORR (by written notice to the parties) either to:

- (a) consent to the revised Proposed Modifications; or
- (b) refuse to consent to the revised Proposed Modifications, setting out guidance to the parties on the changes required in order that ORR would be minded to give its consent.

Office of Rail Regulation's consent

9.13 If ORR consents to any Proposed Modifications, the modifications comprised in such Proposed Modifications will have effect and the terms of this contract shall be modified accordingly.

Subsequent adjustment

9.14 If at any time there are reasonable grounds for believing that any modifications to this contract to which ORR has consented pursuant to paragraphs 9.8, 9.10, 9.11 or 9.12 are not necessary to avoid Network Rail necessarily being in breach of any Grand Central Track Access Contract, Network Rail shall give notice to that effect to the Train Operator and ORR and the provisions of paragraphs 9.3 to 9.13 shall apply in respect of that notice.

No compensation payable in respect of modifications to this contract

9.15 The Train Operator shall have no claim against Network Rail for compensation in relation to any loss or damage suffered by the Train Operator under this contract as a result of modifications made to this contract pursuant to this paragraph 9.

Calculation of other compensation

9.16 For the purposes of calculating any compensation under paragraph 3.2(a) of Part 3 of Schedule 4 which may be payable during the Relevant Capacity Period by Network Rail to the Train Operator in relation to the Passenger Train Slots applicable to the Service Groups listed in paragraph 9.1, the Corresponding Day for the purposes of paragraphs (a) and (b) of the definition in paragraph 1.1 of Part 3 of Schedule 4 shall mean such day which falls within the Relevant Capacity Period as may be agreed between the parties. Paragraph 6.2 of Part 3 of Schedule 4 shall apply if the parties fail to agree such day.
