Dear Sirs

**Dispute regarding Refusal of Access to Wembley Central station**

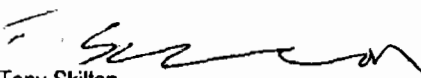

I have acknowledged to Rail Express Systems Ltd ("RES") receipt of a letter dated 3 February 2010 notifying a reference pursuant to Condition H5 of the National Station Access Conditions 1996 (England and Wales) regarding refusal of access on 28 February 2010 to Wembley Central station, where LUL is the Station Facility Owner. I have registered this reference as 'ADP50'.

I gather that RES has decided against operating the proposed trains on 28 February but that the issue nevertheless remains in dispute so that train plans can be established for future major events at Wembley stadium.

An Access Disputes Panel has been appointed to hear this reference on Thursday 4 March 2010. I am writing a separate letter to RES and LUL jointly, setting out the arrangements.

Would you please acknowledge receipt and also confirm that the Group Station Manager is the appropriate person in LUL to receive correspondence regarding this matter.

Yours faithfully

  
Tony Skilton  
Committee Secretary
