Direction

The Hearing Chair has given preliminary consideration to the SRD filed on behalf of GWR. The Hearing Chair has noted GWR's updated request that Appendix 2 should be shared between the Dispute Parties, Chair and Panel only, and that Appendix 3 to its SRD be treated as confidential to the Hearing Chair, the Panel and NR, with neither being published on the Committee's website.

Before making a decision on this request, the Hearing Chair invites MTR and any interested party to make submissions about the request. Any such submissions shall be filed with the Secretary to the ADC by **17:00 Tuesday 1 August 2023**.

No response was received from any Party.
