Good afternoon,

GBRf note that Network Rail has not responded to this TOVR (submitted on 16.09), within five working days.

Therefore, GBRf referencing D3.3.8, in that this bid would not give any conflict with the relevant working timetable or the rules. Subsequently, Network Rail is deemed to have accepted this TOVR into the relevant working timetable.

Can Network Rail provide an offer for this TOVR.

Kind regards,

Planning Improvement Manager
